The services of the petitioner were terminated by the respondent management, the Himachal Pradesh State Small Industries and Export Corporation Ltd., Shimla on 22-7-1981. Earlier dispute was raised by the petitioner and award was given by this Court on 24-4-1983 when the termination of services of the petitioner was held

unjustified. The petitioner, who was re-instated was then served with a charge sheet and after holding some sort of domestic enquiry, petitioner has been dismissed from service w.e.f. 11-9-1984. Petitioner has again raised dispute against his dismissal and Himachal Pradesh Government has made the present reference to determine the legality of the orders passed by the respondent management.

2. During the pendency of the present reference, the parties have arrived at a settlement out of court. Respondent management has agreed to treat the period between termination/dismissal and re-instatement as continuity of service. Case No. 340 of 1985

S/Shri Param Dev Yadav Singh, Hot Mixer Plant
Operator, H.P.P.W.D. 1st Circle, Mandi, H.P.

Petitioner.

Versus

Superintending Engineer, H.P.P.W.D. 1st Circle,
Mandi, Himachal Pradesh

Respondent.

Shri P. L. Bely, Authorised Representative for the
Petitioners

Shri M. L. Chaudhary, Authorised Representative for
the Respondent.

AWARD

On the dispute having been raised, the Government of Himachal Pradesh in exercise of the powers under section 12 (5) read with Section 10 of the Industrial Disputes Act, 1947 made the following reference to the Industrial Tribunal on 24-5-1985:—

"Whether the selection on work-charged basis of Hot Mixer Plant Operators other than Sarvshri Param Dev and Yadav Singh and not providing the posts of work-charged to these workers, is justified. If not, what relief and compensation S/Shri Param Dev and Yadav Singh are entitled to."

2. The petitioners submitted their statement of claim and pleaded that they were employed as Hot Mixer Plant Operators since January/October, 1981 on daily wages. As per the rules and conventions prevalent in the Department, daily rated employees were regularised on work charged basis during the course of their employment. However, in the month of February, 1984, the Department called for interview some persons for filling up work-charged posts of Hot Mixer Plant Operator with a view to manipulate and favour some persons in order to ignore the deserving persons. Petitioners reluctantly joined the process of interview on 23-2-1984 and the result of interview was declared on 27-2-1984 and on the following day S/Shri Tek Chand and Purn Parkash were issued appointment letters. The petitioners challenged the selections of said S/Shri Tek Chand and Purn Parkash as the same is against the convention and rules and the selected persons had no knowledge about operating machines for which they were selected whether the petitioners had experience of three years at the time of selection. It was also claimed that the petitioner Yadav Singh was I.T.I trained fitter and the selected candidates were not having any such certificate. It was further claimed that the petitioner Param Dev is a Scheduled Caste and he had submitted the requisite certificate in this respect and one post was required to be filled in from Scheduled Caste candidates. The selection committee, however, ignored the petitioner Param Dev although he is Scheduled Caste. According to petitioner, selection committee had already made up their mind and the interview was only a drama to regularise their illegal selection. The petitioners claim that they be declared to have been appointed on the work-charged post instead of daily wages w.e.f. 28-2-1984. The respondents in their reply admitted that petitioners Param Dev and Yadav Singh were employed as operators during the year 1981, 1982 and 1983 and the particulars of their services for the relevant period were annexed as Annexure A and B with the reply. According to them the petitioners were not working as Operators throughout the year and were discharging different type of duties as detailed in Annexure A and B. The respondent further pleaded that the daily rated employees, who are sponsored through Employment Exchange, are made work-charged during the course of their employment and as the petitioners were not sponsored through Employment Exchange at the time of their initial appointment as such they could not be

automatically appointed against the work-charged posts. The respondent also claimed that only workers performing work on the maintenance and supervisory posts during the specific period from June, 1974 to May, 1979 with 240 days working per year are employed on work-charged basis. The petitioners were not falling in this category. So open interview for these sanctioned vacancies were held in accordance with the rules and all eligible persons including the petitioners were given opportunity to qualify. The respondent denied any favour to the selected persons S/Shri Tek Chand and Purn Parkash and claimed the selection was purely on the basis of merit. In the replication, petitioner had reiterated the facts earlier mentioned in the statement of claim.

3. Initially preliminary issue regarding jurisdiction of Tribunal to entertain the reference was framed by my Ld. Predecessor on 4-9-1985. However, Government of Himachal Pradesh by its notification dated 28-8-1985 had amended the original notification of reference and substituted the word "Industrial Tribunal" by "Labour Court" and preliminary issue had become redundant and then these issues were framed on merit by my Ld. Predecessor on 6-10-1985:—

1. Whether the selection on work-charge basis of Hot Mixer Plant Operators other than the petitioners is justified ? (OPR)

2. Relief.

FINDINGS

4. The burden to prove Issue No. 1 is on the respondent and Authorised Representative for the Respondent has only tendered in evidence documents Ex. R-1 to Ex. R-6 on 5-1-1986 and closed the evidence. One of the petitioner Yadav Singh who appeared as FW-2 has deposed that he was working in the H.P.P.W.D. since 1981, initially as helper and then as Operator on the Hot Mixer Plant. He has also deposed that Hot Mixer Plant was not in operation during winter and rainy seasons and during that period he was required to work as fitter in H.P.P.W.D. workshop. He claimed that being daily rated workers, he was to be regularised without being sponsored by the Employment Exchange and claimed that the selection of other two workers Tek Chand and Purn Parkash is not *bona fide* and also claimed that he is a I.T.I. trained and under matric and belongs to Low Income Family and all the certificates were shown to the Selection Committee and certificates are Ex. P-1 to Ex. P-4. He has also deposed that Tek Chand and Purn Parkash were never operated the Hot Mixer Plant. Even after selection they could not operate the plant, which was being operated by them. One Amer Chand Thakur, Office Secretary of Him. Shakti Karamchari Sangh has appeared as PW-1 and he was claimed that he is working as Electrician in the H.P.P.W.D. workshop, Mandi where petitioners were employed as Hot Mixer Plant Operators on the daily rated basis and all daily rated workmen are entitled for being absorbed on regular basis by the H.P.P.W.D. since 1980. According to him the petitioners were required to be regularised as work-charged against the post of Hot Mixer Operators. He has also claimed that one of the selected candidates, Purn Parkash has succeeded and out of the two posts, one was reserved for Scheduled Caste. The petitioners in fact have examined official witnesses, Shri T.L. Sharma, Superintending Engineer PW-3 is the appointing authority of the Hot Mixer Plant Operators and he has deposed that he had appointed the Selection Committee by the order dated 18-2-1984 Ex. R-1 and minimum qualification have been detailed in Ex. R-5. He has also proved the result of the interview Ex. R-2. Initially he had denied that the daily rated workers with more than five years of service were regularised and he then admitted this fact. He has further deposed that the rule of regularisation does not cover all categories. He had admitted that he was not present at the time of interview but has accepted the recommendations of the Selection Committee. Shri K.M. Tiwari PW-4 is an Assistant Engineer and was the member of the Selection Committee and he has deposed that all candidates

present were interviewed and their certificates were seen and they were duly awarded marks. The candidates were required to operate the Hot Mixer Plant at the time of interview. Shri S.M. Bhardwaj, PW-5 Superintending Engineer was also the member of the Selection Committee as he was the Executive Engineer Manual Division No. 2 at the time of the selection. He has participated in the proceedings of the Selection Committee. He has also deposed that the practical test was taken and the candidates were required to operate Hot Mixer Plant. He has denied that the Selection Committee was constituted with a view to select Puran Parkash and Tek Chand over the head of the petitioners. Lastly Shri S.K. Vaidya, Superintending Engineer PW-6 has appeared, who has claimed that no weightage was required to be given to the candidates who were I.T.I. trained. He has deposed that the candidates who were working on daily wages, were given weightage of their experience. He has also deposed that the experience certificate given by reputed private firms were also considered. He has denied any favour to the selected candidates at the behest of any high up. He has however, admitted that Param Dev petitioner is the Scheduled Caste candidate.

5. After the arguments were concluded, the case was adjourned for announcement of award. While going through the record, it was noticed by me that one of the selected candidates Shri Tek Chand was not fulfilling the requisite experience of 2 to 3 years in operating Hot Mixer Plant and as such Respondent was directed to produce record in this behalf. AR. of the respondent has filled documents Ex-R-6 showing that Tek Chand was employed as beldar w.e.f. 1-1-1983 till 31-3-1983 and as Assistant Operator w.e.f. 1-7-1983 till February, 1984. As per the notification of vacancies, to the Employment Exchanges, Ex-R-5, the essential qualification including at least 2 to 3 years of experience in operating Hot Mixer Plant and as per the details of the interview marks Ex-R-2 against the column No. 8, Tek Chand has been shown to be working as Operator of Hot Mixer Plant in H.P. P.W.D. but the document Ex-R-6 falsified the version of the respondent. Thus Tek Chand was not qualified for the post as he was not having any practical experience of 2 to 3 years as required by notification Ex. R-5. The respondent has conveniently designated, Tek Chand as Assistant Operator having been employed from 1-7-1984 to 2-10-1984 without disclosing whether he was employed to operate the Hot Mixer Plant. The experience required was 2 to 3 years as Operator with Hot Mixer Plant and not as Assistant Operator with any other machine for the period of eight months. Tek Chand did not fulfil the minimum qualification for being considered for appointment as Operator and his selection is illegal.

6. The petitioners have failed to prove that they were to be regularised on work-charged basis as their own official witnesses have claimed that for the post of operator the instructions did not require automatic regularisation. As such the selection made cannot be set aside on this ground. However Puran Prakash, who had three years of experience in Bharat Construction Company, who was duly selected and appointed as Operator had since died as is evident from the statement of PW-1 Shri Amer Singh. It will not be out of place to mention the fact that these were two posts of Operators notified and in accordance with the instructions issued by the Department of Personal and Administrative Reforms, New Delhi dated 20-2-1977, it is evident that practice for reservation for Scheduled Caste and Scheduled Tribe is to be applied to work-charged posts and also on the basis of the model roster, the first post is reserved for Scheduled Caste and second post is treated as unreserved. Then in the present case, the first post was to be treated as reserved and Param Dev petitioner, who had duly qualified as per result of the interview Ex-R-2, was entitled to be appointed as operator against reserved post for scheduled caste. Puran Parkash having been selected on merit is to be considered to have been appointed against the second post which was meant for un-reserved candidates. Taking it from any angle, the selection of Tek Chand is illegal and this issue is answered accordingly.

RELIEF

In view of the aforesaid discussions, selection of Tek Chand is invalid as the said post was reserved for Scheduled caste and also he was not having requisite experience for appointment as operator with the result

that Param Dev, Petitioner is ordered to be appointed as Operator to Hot Mixer Plant with effect from 28-2-1984. The petitioner Yadav Singh, who had also duly qualified, is ordered to be appointed as Operator against the vacancy caused by death of Puran Prakash. The petitioners are entitled to all the consequential benefits in accordance with law from the date of their appointment.

Announced to-day the 23rd February, 1989 in the presence of the Authorised Representatives of the parties.

BEFORE SHRI P. S. AHUJA, PRESIDING OFFICER, LABOUR COURT OF HIMACHAL PRADESH

Case No. 15 of 1987

Promil Kumar s/o Shri Sadhu Ram c/o Labour Commissioner, Himachal Pradesh Shimla-2. Petitioner.

Versus

Regional Manager Himachal Pradesh Road Transport Corporation Nahar, District Sirmour. Respondent.

Shri Promil Kumar Petitioner in person.

Shri Ranbir Singh, AR for the respondent.

AWARD

The petitioner who was employed with the Himachal Road Transport Corporation and whose services were terminated and he raised dispute against termination of his services and the present reference has been made by H.P. Government in exercise of powers under section 12 (5) of the Industrial Disputes Act, 1947 on 19-1-1987.

2. The petitioner submitted the statement of claim and maintained that he joined as Cleaner-cum-Conductor in the Himachal Government Transport Department in 1972 and his services were transferred to Himachal Road Transport Corporation in 1974 and he continued to serve the Corporation till 1976 when his services were terminated. The petitioner has also averred that at the time of termination of his services, he had completed 240 days in continuous service and the termination is without holding any sort of enquiry and without serving any show-cause notice on him which is violative of section 25FF of the Industrial Disputes Act, 1947 and the termination amounts to retrenchment in view of Section 2(100) of the Industrial Disputes Act, 1947. He has also claimed that he had preferred numerous representations/appeals to the concerned authorities, but no satisfactory reply was received and in the year 1982 the petitioner made representation to the Hon'ble Transport Minister with a copy to Hon'ble Governor of Himachal Pradesh. From the reply received from the Governor Secretariat, dated 14-5-1982, it was revealed that his appeal has been sent to Secretary Transport, but the Corporation has failed to take any action. The petitioner has also maintained that many other persons who were terminated after the petitioner have been since appointed by the respondent Corporation and the action of the Corporation is violative of section 25H of the Industrial Disputes Act, 1947. On this pleading, the petitioner has sought re-instatement in service from the date with incidental benefits.

3. The respondent Himachal Pradesh Road Transport Corporation through its Regional Manager has submitted reply and denied that the petitioner had joined as Cleaner-cum-Conductor in Himachal Government Transport Department in 1972, rather the petitioner was engaged as Cleaner-cum-Conductor with effect from 12-8-1975 as casual worker on day-to-day basis. As his services were terminated on 13-12-1976 as per agreement of service between the Himachal Road Transport Corporation and the employee, the action is thus legal. The respondent has also denied the violation

of section 25FF of the Industrial Disputes Act, 1947 as according to Respondent there is no retrenchment in terms of section 2(00) (bb) (The Respondent has omitted to mention (00). The relevant clause will be discussed in detail subsequently). The respondent management denies about the representations/appeals preferred by the petitioner excepting the appeal preferred by him in 1982 to Hon'ble Transport Minister. According to them his appeal was considered and rejected by the Competent Authority and he was informed accordingly. The respondent has also availed that the petitioner is not entitled to any reference after 10-11 years and he is guilty of laches and sitting over for so many years. Thus the respondent has maintained that the services of the petitioner were terminated as per agreement of service and said agreement is not arbitrary or violative of the provisions of the Industrial Dispute Act, 1947 and has requested for not re-opening the case after lapse of such a long period.

4. On the pleadings of the parties, my *Ld. Predecessor* had framed the following issues on 17-5-1987:—

1. Whether the termination of the services of the petitioner is valid and in accordance with the provisions of the law and the rule. If not to what relief and compensation the Petitioner is entitled to? (OPR)
2. Relief.

ISSUE NO. 1

5. The respondent management has only tendered in evidence three documents i.e. appointment letter dated 26-8-1975, Ex-R-1, Termination order dated 30-12-1976, Ex-R-2 and communication dated 22-2-1983, whereby the petitioner was informed of the dismissal of his appeal. Ex-R-3. As far as the petitioner is concerned, he has appeared as his own witness as PW-1 and his statement is very short and brief. He has deposed that he has joined as Conductor in the year, 1972 and his services were terminated in the year, 1976 without any reasons and no charge-sheet has served on him and no enquiry was initiated against him and he was not afforded any opportunity. He was not paid any retrenchment compensation. In cross-examination he has stated that he had not brought the appointment letter and he cannot contradict the statement that he joined the Respondent Corporation as Conductor in the year, 1975. He admits that he joined respondent management after he received the appointment letter No. other ocular or documentary evidence has been adduced by the parties.

6. The counsel for the petitioner has urged that the termination of the services of the petitioner is in contravention of Section 25F of the Industrial Disputes Act, 1947 as the petitioner has not been given one month's notice in writing indicating the reasons for retrenchment and he has not been paid compensation at the time of retrenchment. He has also argued that Section 2(00)(bb) was enforced with effect from 18-8-1984 and as such the plea of the respondent that services of the petitioner have been terminated in accordance with the contract between the parties cannot be looked into as at the time of alleged termination aforesaid provisions were not in existence. He has frankly conceded the delay in raising the dispute, but has claimed that such delay will only disentitle the petitioner of the back wages. On the other hand Counsel for the respondent management has maintained that there is no question of retrenchment in view of section 2(00) (bb) and the petitioner was not entitled to any notice or compensation in terms of section 25F of the industrial Disputes Act, 1947. He has also urged that the reference should fail on the point of limitation.

7. The contention between the parties boils down to the effect whether the termination of the services of the petitioner is retrenchment, within section 2(00) (bb) and if it is retrenchment, what is the effect of non-compliance of conditions laid down in section 25F of the Industrial Disputes Act, 1947. As far as the question for delay is concerned, practically no evidence has been adduced by the parties and there is nothing on the record to show

when dispute was raised by the petitioner, the respondent only placed on record documents Ex-R-3 which is latter dated 22-2-1983 to the petitioner, whereby he has been informed that his representation dated nil has been considered and rejected by the Competent Authority as informed by Assistant General Manager vide his Memo. dated 22-10-1982. It is not clear when such an appeal was filed and the communication regarding the dismissal of appeal was sent in February, 1983. The present reference was made on 19-1-1987 by the Himachal Pradesh Government and there is every possibility that the Petitioner raised the present dispute which eventually resulted in the reference under section 12(5) of the Industrial Disputes Act, 1947. The respondent Road Transport Corporation is a public authority and it is neither proper nor desirable that the technical plea of limitation should be raised by such public authority in view of the law laid down by the Hon'ble High Court of Himachal Pradesh in case *Mangal Chand v. The Forest Department* reported in *Indian Law Reports (Himachal Series)* 1984-page 259. It has been held therein:—

"The Act has been enacted by the Parliament to provide for the payment of compensation by certain classes of employers including the State to their workmen or their dependents for injury or death, as the case may be, by accident caused under certain circumstances. It is surprising that when it comes to the implementation of such a beneficent law, the State another its limits should try to defeat a claim not on merits but on technical pleas such as limitation. It is legitimate to hope that bearing in mind the injunction of the Supreme Court in *T. Usteees Bombay Port v. Premier Automobiles*, AIR 1974 SC 923, public authorities would desist from raising such pleas in future in appropriate cases like the present irrespective of the margin of delay". (Emphasis supplied).

8. To appreciate the rival contention of the Counsels for the parties, it is necessary to notice the relevant provisions i.e. section 25F and section 2(00) (bb) of the Industrial Disputes Act, 1947 which are reproduced as under:—

25F. Conditions precedent to retrenchment of workman.—No workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until—

- (a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of the notice;
- (b) the workman has been paid, at the time of retrenchment, compensation which shall be equivalent of fifteen days' average pay* (for every completed year of continuous service) or any part thereof in excess of six months; and
- (c) notice in the prescribed manner is served on the appropriate Government, or such authority as may be specified by the appropriate Government by notification in the official Gazette).

xx xx xx xx xx

2(00): "retrenchment" means the termination by the employer of the service of a workman for any reason whatsoever otherwise than as a punishment inflicted by way of disciplinary action, but does not include—

- (a) voluntary retirement of the workman; or
- (b) retirement of the workman on reaching the age of superannuation if the contract of employment between the employer and the workman concerned contains a stipulation in that behalf; or

(bb) termination of the service of the workman as a result of the non-renewal of the contract of employment between the employer and the workman concerned on its expiry or of such contract being terminated under a stipulation in that behalf contained therein; or

(c) termination of the services of a workman on the ground of continued ill-health.

9. Section 2(00) was inserted by Act No. 43 of 1953 and came into force with effect from 24-10-1953 but at that time there were only three sub-clauses i.e. a, b and c and clause (bb) was subsequently inserted by Act No. 49 of 1984. When the above said clause (bb) was inserted to overcome the difficulties in view of the decision of Supreme Court in *Exel Wear case*, 1978(4) S.C.C. 224 as is evident from the statement of Objects and Reasons of the Industrial Disputes (Amendment) Act, 1984. Admittedly the services of the petitioner were terminated on 13-12-1976, i.e. much before the above said sub-clause (bb) was added to section 2(00) and the plea of the respondent management that the services of the petitioner were terminated on the basis of contract Ex.R-1 is wholly mis-conceived and preposterous.

10. In view of section 25F no workman, employed in any industry, who has been in continuous service for not less than one year, can be retrenched until the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice had expired or worker has been paid wages in lieu of period of notice and workman had been paid compensation equivalent of 15 days average pay for every completed year of continuous service. Hon'ble Supreme Court in case *Santosh Gupta v/s State Bank of Patiala* reported in AIR-1980, S.C.-1219 has held that the provisions of section 25F are to be complied with before the workman is discharged. The apex Court in the case of *Delhi Cloth and General Mills Co., Ltd., v. Sambhu Nath Mukerji* reported in (1977) 4 S.C.C. 415 has laid down that any order of retrenchment in violation of these two pre-emptory conditions as specified in section 25F (a) and (b) is invalid.

Admittedly petitioner has not been served with any notice as required under section 25F nor has been paid compensation, which is evident from the termination order Ex.R-2. In view of this I have no hesitation in holding that the termination of services of the petitioner is not justified and the issue is decided accordingly against the respondent Management.

RELIEF

11. In view of the findings on issue No. 1, the order of termination of the Petitioner dated 30-12-1976 is set aside as illegal. The result is that the petitioner is deemed to be in service in terms of his appointment letter dated 26-8-1975. However, he will not be entitled to any wages from 31-12-1976 till the date of announcement of award. In view of long delay on the part of the petitioner to seek appropriate remedy at the earliest, as the petitioner has failed to bring on record the date for initiating the present dispute for reference. The petitioner is being allowed wages from the date of the award. The petitioner will be regularised as per the Instructions/Rules prevalent in the Himachal Road Transport Corporation and will be entitled to other benefits in conformity with law.

AWARD

The petitioner, a conductor, who claimed extra remuneration for performance of duties as Checker, raised dispute in which following reference was received on 6-12-1986:

"Whether Shri Rajinder Kumar, Conductor Himachal Road Transport Corporation, Nahan is entitled for extra remuneration for the scale of Checker from the year, 1973 onwards as a result of performance of duties of Checker. If so to what relief Shri Rajinder Kumar is entitled to."

Notice were issued to the parties and statement of claim was filed by the Petitioner, who maintained that he joined as Store Helper in Himachal Pradesh Transport Department in the year, 1968 and subsequently promoted as conductor in the pay scale of Rs. 110-175 (since revised to Rs. 400-600 with effect from 1-1-1978). According to Petitioner since 1973 he was assigned the checking duty which he continued to perform till 1985. He maintained that the duty of checking was not the part of the duties of the applicant conductor and such duties were performed by the Inspectors, who are in the pay scale of Rs. 510-880. The applicant on this plea has claimed that he be given equal pay for equal work for the period from 1973 to 1985 for performing the duties of checking as Inspector.

1. The Respondent Management in its reply has admitted that the Petitioner was appointed as conductor on 12-10-1972. It has been pleaded that the Petitioner was deployed on checking duties in spells and the posts of checker existed in the same scale of pay as with same avenues of promotion as those of conductors. They have also pleaded that the duties and responsibility of Inspectors are entirely different as is evident from Roaster Ex. R.1. and Ex. R.2. According to them, Petitioner is working as a conductor and his name appeared on Serial No. 307 in the seniority list and he cannot be directly promoted as Inspector above his senior colleagues.

3. On the pleadings of the parties, the following issues were framed by my Ld. Predecessor on 28-6-1987.

1. Whether the petitioner has performed the duties as a Checker during the period 1973 to 1985 and as such is entitled to get the emoluments as the Checker (OPP).
2. To what amount the petitioner is entitled to recover? (OPP).
3. Relief.

ISSUE NO. 1

4. Only petitioner Shri Rajinder Kumar has appeared as his own witness and he has deposed in his examination-in-chief that the Checkers and Conductors during the relevant period were getting the same pay scale. Respondent Management on the other hand had examined Shri Jati Ram, RW-1 who has tendered in evidence the documents Ex.R-1 to Ex.R-3. The reference requires to determine if petitioner is entitled to extra remuneration for the pay scale of Checker for the year 1973 onwards, as a result of performance of duties as Checker. In view of the admission of the Petitioner that pay scale of Conductor and Checker was same, there is hardly anything which required determination by this Court. The petitioner has pleaded the case much beyond the reference. He is claiming the pay scale which is being payable to the Inspectors. In fact, there is no such reference and as per the reference the petitioner could claim remuneration for the scale of checker but the pay scale of the Conductor and Checker is the same. The Petitioner is not entitled to any other emoluments except the emoluments which were paid to him. This issue as such is decided against the Petitioner.

ISSUE NO. 2

5. In view of my findings on Issue No. 1, Petitioner is not entitled to recover any money from the Respondent Corporation.

ISSUE NO. 3

6. In view of my findings on issue No. 1 and 2 the Petitioner is not entitled to any extra remuneration. The parties are left to bear their own costs.

AWARD

On the termination of services of Petitioner who was working as Clerk of the Respondent College, the petitioner raised dispute and the matter was referred to this Court by the Government of Himachal Pradesh vide its notification dated 27-9-1985 purported to be in exercise of the powers under section 12 (5) read with section 10 of the Industrial Disputes Act, 1947.

2. Petitioner filed his statement of claim and averred that he was appointed as Clerk by the Management of D.A.V. College Daulatpur Chowk, District Una, Himachal Pradesh on probation for six months w.e.f. 12-3-1984 against the regular post after due selection by the Committee. According to the Petitioner, his services were illegally terminated on 8-8-1984 without any notice. Petitioner asserted the order of termination has been passed in view of enmity harboured by the management against his father Capt. Dev Raj, who functioned as President of the Respondent College for many years. Petitioner has sought re-instatement without any break in service and payment of full and final dues.

3. The respondent management in their written statement has given their version and the facts in nutshell and according to them the Petitioner was appointed by the Ex-General Secretary of the Managing Committee by letter dated 10-3-1984 and said Secretary had no authority to appoint the Petitioner. It has also been mentioned that the New President of the Committee was elected but the approval was given by the Himachal Pradesh University to the election of the New Managing Committee on 2-5-1984. During the intervening period the Father of the petitioner, who was earlier President and whose tenure has expired, after the fresh elections, was restrained from interfering with the affairs of the Institution by the University and communication was sent to him by the Registrar, Himachal Pradesh University on 25-3-1983. According to Respondent, appointment of Petitioner as Clerk was a result of nepotism and favouritism. It has further been averred that the Institution was already over staffed and the post was neither advertised nor applications were called for from the Employment Exchanges and the services of the Petitioner were terminated as his work was not satisfactory and his services were no longer required in view of the over-staffing.

4. On the basis of the pleadings of the parties, the following issues were framed by my Ld. Predecessor, on 13-1-1986:—

1. "Whether the termination of the services of Shri Pushpinder Singh by the management of D.A.V. College, Daulatpur Chowk, Una is justified and is in order?" (OPR)
2. "Whether the Petitioner is a workman and the dispute between the parties is an Industrial dispute?" (OPP)
3. Relief.

5. The parties were allowed to adduce evidence and on the application preferred by Petitioner, he was allowed to adduce additional evidence by my Ld. Predecessor on

dated 26-8-1987. After he examined Shri Sandhya Dass PW-4, the respondents were given opportunity to lead evidence in rebuttal, but they have not adduced any further evidence. I have heard the Authorised Representative for the parties and have perused the record.

6. For the reasons recorded hereinafter the aforesaid issues are answered as under:—

Issue No. 1 .. Yes.

Issue No. 2 .. Not pressed.

Issue No. 3 .. Petitioner not entitled to any relief.

FINDINGS ON ISSUE NO. 1

7. At the outset, it is noticed that the Respondent Management which had disputed the appointment of Petitioner and had assailed the authority of General Secretary to issue letter of appointment, has not pressed the irregularities in such appointment at the time of arguments. However, it has been maintained by the management that as the services of the petitioner were no more required as there was over-staffing and the work of the Petitioner was not found satisfactory during probation period, the services of Petitioner were as such terminated. On the other hand, Authorised representative of the Petitioner has mentioned that the termination is a result of vindictiveness and letter concerning the staffing pattern was received by the Respondent College much after the termination of the services of the petitioner and as such the order of the Respondent is illegal and unjustified.

8. Petitioner, Shri Pushpinder Singh has appeared as his own witness as PW-1 and he has deposed that he was appointed as Clerk on 12-5-1983 (There appears to be a mistake as he was appointed in March, 1984) on probation of six months vide letter Ex. P-1 and his services were terminated on 8-8-1984 vide letter Ex. P-2. He has also deposed that the termination is on account of malice and illwill of the new Managing Committee against his father. Petitioner has also stated that he was offered Rs. 1411.25 paise vide letter Ex. P-3 on his termination, but he refused to accept it and conveyed his refusal Ex. P-4, which was sent by registered post and the acknowledgement receipt is Ex. P-5. Petitioner has also examined Col. J. C. Kanwar PW-2, who was General Secretary of the out-going Managing Committee and Shri Kanwar had issued letter of appointment to the Petitioner and has deposed that Petitioner was selected by the Selection Committee. Another witness examined by the Petitioner is Shri V.D. Sharma, PW-3 who is Principal of D.A.V. College, Daultpur-chowk, Una and who has deposed that he had reported against the working of the Petitioner to the Managing Committee and the work of the Petitioner was not satisfactory. In cross-examination he has proved letter Ex. R-2 which is the communication issued by the Himachal Pradesh University to Capt. Dev Raj Father of the Petitioner) who was restrained from interfering in the affairs of the College by the said communication dated 25-3-1983 and the communication was duly endorsed to the Principal and to the New elected President and the Bank authorities. Shri Sandhya Dass PW-4 has mentioned that the Staffing pattern for employment of College staff has been prescribed by the Secretary, Himachal Pradesh and the communication in this regard is Ex. R-5. He has denied the correctness of the documents relied upon by the Petitioner Mark 'X' regarding the staffing pattern and has deposed that the letter Ex. R-5, pertaining to the staffing pattern was brought by the President himself and no direct communication has been received from the Director of Education.

9. Respondent Management, on the other hand examined Shri Nand Kishore, RW-1, President of the Managing Committee who besides disputing authority of Shri J.S. Kanwar to appoint petitioner as Clerk has deposed that new Managing Committee was elected on 12-12-1982 and the information was sent to the Registrar, Himachal Pradesh University by letter Ex-P-1. Thereafter, the University has restraining Cap. Dev Raj, Ex-President of the Managing Committee, from interfering

in the affairs of the college vide letter Ex. R-2. According to this witness petitioner was appointed as clerk without any interview and the post was not advertised to Employment Exchanges or in the Press. He has also disputed the correctness of letter Ex. P-6 and Ex. P-7 as there is nothing on the record to show that any interview was held. He has also proved the approval of the New Management Committee by the University by letter Ex-R-4. The witness has also deposed about the staffing pattern fixed by the authorities vide letter Ex. R-5 and only one clerk can be appointed as the strength of students in the College is below 500. According to him, the services of the Petitioner were dispensed with as has his appointment was against the staffing pattern and his work was not found satisfactory as reported by the Principal vide Ex R-6.

10. The bone of contention between the parties is about the communication of the staffing pattern Ex. R-5. The respondent management has produced copy of letter dated 27-4-84 which has been issued by the Deputy Secretary Education and the said letter fixes the staffing pattern (Non-teaching staff) in privately managed colleges. In colleges where strength of students is upto 500, only one clerk is required to be appointed and for the creation of additional posts, the colleges are required to seek approval of the Government. Petitioner on the other hand, after adducing additional evidence, has brought on record letter dated 11-10-1984 which has been sent by the Director of Education, Himachal Pradesh to all the Principals of non-government affiliated colleges. In Himachal Pradesh, fixing the staffing pattern. The said letter has been marked as Mark 'X'. In fact, the staffing pattern as envisaged in document Ex. R-5 is reiterated and reproduced in letter Mark, 'X'. Authorised Representative of the petitioner has maintained that at the time of termination of the services of the petitioner no communication was received by the respondent management regarding the staffing pattern and the plea of the respondent management is an after thought. To my mind, the argument is without any basis as decision was taken by the Government on 27-7-1984 and communication in this respect was sent by the Deputy Secretary to the Director of Education and said communication has been proved as Ex. R-5. No doubt the communication has been circulated subsequently, as deposed by PW-4 Shri Sandhya Dass, the said communication was brought by the President of the Respondent Management Committee and decision of the Government dated 20-7-1984 became effective from the said date. And if there is any delay in circulation of the said communication by the Director of Education, the petitioner cannot derive any benefit from such delay, once the decision becomes operative. Admittedly the petitioner was on probation and was junior most Clerk and his work was not found satisfactory and all these factors cumulatively led to his termination which cannot be termed as illegal or unjustified. In view of the aforesaid decision, Issue No. 1 is decided against the petitioner and this issue is answered in affirmative.

ISSUE No. 2

11. During the course of arguments, Authorised Representative of the Respondent Management has not pressed this issue and no findings are being recorded on this issue.

ISSUE No. 3

12. In view of the findings on Issue No. 1 and 2, Petitioner is not entitled to any relief. The copy of this award be sent to the Government for publication in H.P. Gazette in accordance with law and the copy of this award be supplied to the parties free of costs, if applied for.

ORDER

On the dispute having been raised by some of the workers, the reference was made by the Himachal Pradesh Government in exercise of the powers under section 12(5) read with section 7 of the Industrial Disputes Act, 1947 to this Court on 23-7-1988. Reference has been registered on 16-8-1988. Following points have been referred for determination by this Court:—

1. "Whether the termination of services of S/Shri Amin Chand (Fitter), Shesh Ram, Assistant Foreman and retrenchment of S/Shri Ved Parkash, Maker Operator and Sukh Ram, Carpenter Fitter by the Management of M/s Gammon India Ltd., Sanjay Vidut Pariyojna, Kafnoo, District Kinnaur is legal and maintainable. If illegal, to what relief and amount of compensation these workmen are entitled?"
2. "Whether the demand of Shri Amin Chand and 18 others workers (list enclosed) who are/were in the employment of M/s Gammon India Ltd., Kafnoo for their absorption in the H.P. State Electricity Board is legal. If so, to what relief the workmen are entitled?"
2. In the main reference No. 28 of 1988, the petitioners have claimed that M/s Gammon India Ltd., Kafnoo District Kinnaur is a construction company which had been allotted the construction of tunnel by Himachal Pradesh State Electricity Board. It has also been pleaded that Sanjay Vidut Pariyojna, Sungra is part and parcel of the Himachal Pradesh State Electricity Board and all the petitioners were employed in the State Electricity Board for the said Project initially as daily rated workers. After Chief Engineer, Sanjay Vidut Pariyojna Sungra entered into contract with M/s Gammon India Ltd., all the petitioner were deputed by the State Electricity Board and its Project Incharge to M/s Gammon India Ltd. Services of the petitioners S/Shri Amin Chand, Ved Parkash, Sukh Ram and Seesh Ram were terminated by the M/s Gammon India Ltd., which has been challenged by the workers who have claimed that they should have been re-patriated to original employer i.e. Himachal Pradesh State Electricity Board. The matter has been taken before the Conciliation Officer as well as before the Hon'ble High Court in Civil Writ Petition No. 477 of 1987 and the petitioners have sought re-instatement of the aforesaid four terminated workers and directions to the effect that the petitioners are employees of Himachal Pradesh State Electricity Board.
3. M/s Gammon India Ltd., Kafnoo in their reply has averred that earlier the petitioners were employed by the Himachal Pradesh State Electricity Board as daily rated workers and after the construction work was taken over by the said company, the petitioners willingly opted to work with them on better and lucrative terms since 1983. They mentioned that the services were terminated after fulfilling the requisite requirement of section 25-F and section 25-N.
4. In the written statement filed on behalf of Himachal Pradesh State Electricity Board as well as Chief Engineer, Sanjay Vidut Pariyojna, Sungra number of preliminary objections have been raised but it has been admitted that petitioners were initially engaged by the

Electricity Board on daily wages for the construction of Sanjay Vidut Pariyojna, Kafnoo and they left the job in 1983 at their own will and joined M/s Gammon India Ltd., where they were provided better salary, Site allowance along with usual allowances. They have denied that they have deputed the petitioners to M/s Gammon India Ltd., Kafnoo and as such have refused to take back the petitioners who are workmen of M/s Gammon India Ltd., and have no concern with the Electricity Board.

6. During the pendency of main reference, number 28 of 1988 one of the petitioner, Shri Chet Ram has filed complaint under section 33-A of the Industrial Disputes Act, 1947 on 11-10-1988. According to the petitioner, the Project Manager of M/s Gammon India Ltd., Kafnoo has served the retrenchment notice declaring him as surplus with effect from 1-10-1988 and the action of the respondent is in contravention of section 33(1) and section 33(2) of the Act and there is no surplusage of workers. It has also been averred that condition precedent under section 25-F read with section 25-N have not been complied with. The petitioner has claimed that in view of the dispute having been raised, even if retrenchment is necessary, he should have been sent back to the Electricity Board. Along with complaint photostat copy of the notice issued by Project Manager of M/s Gammon India Ltd., has been annexed. In the reply filed by M/s Gammon India Ltd., they have mentioned that the services of the petitioners are not required as entire work has been finally completed and all the workers have been retrenched. They have admitted the issuance of the notice and have claimed that after the service of notice, petitioner has left the site of project and has failed to collect the dues from the office. The State Electricity Board as well as Chief Engineer, Sanjay Vidut Pariyojna have filed joint written statement and they have raised preliminary objections that they have no concern with the matter as the petitioner was employed by M/s Gammon India Ltd., Kafnoo.

7. The proceedings under section 33-A are required to be adjudicated as if the dispute has been referred to or pending before this court and award is required to be submitted to the appropriate Government. In view of certain admitted facts, the controversy between the parties does not require framing of issues or evidence to be adduced as the notice issued by Project Manager of M/s Gammon India Ltd. is against section 25F as one month's notice in writing has not been served nor the workman has been paid wages for the period of the notice. The workman has also not been paid compensation for retrenchment. The employer M/s Gammon India Ltd., Kafnoo has not filed any petition in accordance with section 33 of the Industrial Disputes Act, 1947 seeking permission or approval although sufficient time has lapsed since the notice of retrenchment was served on the petitioner. Undisputedly, it is violative of provisions under section 25-F of the Act as two peremptory conditions specified in clauses (a) and (b) have not been complied with and as such the notice is invalid in view of the law laid down by the Hon'ble Supreme Court in the case of *Delhi Cloth & General Mills Co., Ltd., v. State of Punjab* reported in (1977) 4 SCC 415.

8. I am not advertent to the plea of the petitioner of his being re-patriated to Himachal Pradesh State Electricity Board as this is the main dispute pending in reference number 28 of 1988 and the notice issued by Project Management being invalid, there is no need to determine the said controversy for the decision on this complaint.

9. In view of the aforesaid discussions, retrenchment notice dated 1-10-1988 is declared as invalid with the result that the petitioner Shri Chet Ram is deemed to continue in employment of M/s Gammon India Ltd., Kafnoo on the terms and conditions as existed on the said date.

of 1988, one of the petitioner, Shri Pritam Chand has

It has also been pleaded that Sanjay Vidyut Pariyojna, Sungra is part and parcel of the Himachal Pradesh State Electricity Board and all the petitioners were employed in the State Electricity Board for the said Project initially as daily rated workers. After Chief Engineer, Sanjay Vidyut Pariyojna, Sungra entered into contract with M/s Gammon India Ltd., all the petitioners were deputed by the State Electricity Board and its Project Incharge to M/s Gammon India Ltd., Services of the petitioners S/Shri Amin Chand, Ved Parkash, Sukh Ram and Seesh Ram were terminated by the M/s Gammon India Ltd., which has been challenged by the workers who have claimed that they should have been re-deputed to original employer i.e. Himachal Pradesh State Electricity Board. The matter has been taken before the Conciliation Officer as well as before

the Hon'ble High Court in Civil Writ Petition No. 477 of 1987 and the petitioners have sought re-instatement of the aforesaid for terminated workers and directions to the effect that the petitioners are employees of Himachal Pradesh State Electricity Board.

3. M/s Gammon India Ltd., Kafnoo in their reply has averred that earlier the petitioners were employed by the Himachal Pradesh State Electricity Board as daily rated workers and after the construction work was taken over by the said company, the petitioners willingly opted to work with them on better and lucrative terms since 1983. They mentioned that the service were terminated after fulfilling the requisite requirement of section 25-F and section 25-N.

4. In the written statement filed on behalf of Himachal Pradesh State Electricity Board as well as Chief Engineer, Sanjay Vidyut Pariyojna, Sungra number of preliminary objections have been raised but it has been admitted that petitioners were initially engaged by the Electricity Board on daily wages for the construction of Sanjay Vidyut Pariyojna, Kafnoo and they left the job in 1983 at their own wish and joined M/s Gammon India Ltd. where they were provided better salary, site allowance along with usual allowances. They have denied that they have deputed the petitioners to M/s Gammon India Ltd., Kafnoo and as such have refused to take back the petitioners who are workmen of M/s Gammon India Ltd. and have no concern with the Electricity Board.

6. During the pendency of main reference, number 28 of 1988, one of the petitioner, Shri Kishori Lal has filed complaint under Section 33-A of the Industrial Disputes Act, 1947 on 30-1-1989. According to the petitioner, the Project Manager of M/s Gammon India Ltd., Kafnoo has served the retrenchment notice declaring his as surplus with effect from 1-10-1988 and the action of the respondent is in contravention of section 33(1) and section 33 (2) of the Act and there is no surplusage of workers. It has also been averred that condition precedent under section 25-F read with section 25-N have not been complied with. The petitioner has claimed that in view of the dispute having been raised, even if retrenchment is necessary, he should have been sent back to the Electricity Board. Along with complaint, photostat copy of the notice issued by Project Manager of M/s Gammon India Ltd., has been annexed. In the reply filed by M/s Gammon India Ltd., they have mentioned that the services of the petitioners are not required as entire work has been finally completed and all the workers have been retrenched. They have admitted the issuance of the notice and have claimed that after the service of notice, petitioner has left the site of project and has failed to collect the dues from the office. The State Electricity Board as well as Chief Engineer, Sanjay Vidyut Pariyojna have filed joint written statement and they have raised preliminary objections that they have no concern with the matter as the petitioner was employed by M/s Gammon India Ltd., Kafnoo.

7. The proceedings under section 33-A are required to be adjudicated as if the dispute has been referred to or pending before this court and award is required to be submitted to the appropriate Government. In view of certain admitted facts, the controversy between the parties, does not require framing of issues or evidence to be adduced as the notice issued by Project Manager of M/s Gammon India Ltd. is against Section 25-F as one Month's notice in writing has not been served nor the workman has been paid wages for the period of the notice. The workman has also not been paid compensation for retrenchment. The employer M/s Gammon India Ltd., Kafnoo has not filed any petition in accordance with Section 33 of the Industrial Disputes Act, 1947 seeking permission or approval although sufficient time has lapsed since the notice of retrenchment was served on the petitioner. Undisputedly, it is violation of provisions under Section 25-F of the Act as two peremptory conditions specified in clauses (a) and (b) have not been complied with and as such the notice is invalid in view of the law laid down by the Hon'ble Supreme Court in the case of *Delhi Cloth & General Mills Co. Ltd. v. Shambhu Nath Mukherji* reported in (1977) 4 SCC-415.

8. I am not adverting to the plea of the petitioner of his being re-patriated to Himachal Pradesh State Electricity Board as this is the main dispute pending in reference number 28 of 1988 and the notice issued by Project Management being invalid, there is no need to determine the said controversy for the decision on this complaint.

9. In view of the aforesaid discussions, retention of notice dated 1-10-1988 is declared as invalid with the result that the petitioner Shri Kishori Lal is deemed to continue in employment of M/s Gammon India Ltd., Kafnoo on the terms and conditions as existed on the said date.
